"BACK TO SCHOOL SPECIAL" ON WPC RADIO AT WILLIAM PATERSON COLLEGE

"Night Talk," a public affairs program heard Mondays at 8 p.m. on the radio station of William Paterson College, WPC (88.7 FM), will present a "Back to School Special" on September 13.

WPC President Arnold Speert will join program hosts Richard Ross, Kristine Novak and Kevin Serio to discuss college matters and upcoming campus events, and to welcome the freshman class.

Other featured guests will be George McCloud, dean of the School of the Arts and Communication, and Anthony Maltese, chair of the college's Department of Communication. They will preview the unveiling of Hobart Hall, the campus' newly renovated and expanded communication building.

Listeners are encouraged to call in during the program with their questions about the 1993-94 school year. The phone number is (201) 595-2738.

Now in its third year, "Night Talk" focuses on political issues, consumer interests, Passaic County news and WPC campus events. Recently, the student-produced show expanded to a one-hour format.
