MEMORANDUM

TO: Members, Board of Trustees
FROM: David O'Malley, SGA President
DATE: January 17, 1978

DM

Over the past several months, W.P.S.C., the campus radio station, has been taking the necessary steps to obtain an F.M. frequency from the Federal Communications Commission. As you are probably aware, W.P.S.C. is currently operating on an A.M. frequency only.

In order to process this request, it is necessary that W.P.S.C. obtain a Resolution from the Board of Trustees endorsing the same. In this connection, I have attached a photocopy of the Resolution of the S.G.A. Executive Board.

R E S O L U T I O N

WHEREAS, W.P.S.C. Radio is a chartered service organization of the Student Government Association of the William Paterson College of New Jersey; and

WHEREAS, W.P.S.C. Radio has served the college community for ten years and has been successful in informing and entertaining the college community and surrounding areas via Cable T.V.; and

WHEREAS, W.P.S.C. Radio is currently in the process of requesting an F.M. frequency from the Federal Communications Commission;

BE IT RESOLVED, that the Executive Board of the Student Government Association of the William Paterson College of New Jersey hereby endorses and supports W.P.S.C.'s request.
